## Special Interest Groups (SIGs)

Special Interest Groups (SIGs) are extracurricular learning and recreational opportunities for Academy members. They are designed by Academy members who share a common interest and like to meet outside the normal class environment to enjoy, learn, and share in their activity. As a member of A.L.L., you are eligible to join SIGs and help create new ones! Joining a SIG is free for members though some activity fees may be required. Current groups are noted below.
